MESSAGE FROM THE PRESIDENT

Hello, and welcome to the 2018/2019 Arizona Chapter of the Society of Safety Professionals.

My name is Jon Beauregard and I am you chapter President for this year. We have an exciting year ahead of us, and I am honored to be a part of the leadership team. Within the next couple of weeks we will be posting a full calendar of events including monthly technical meetings, facility tours, and various networking opportunities. If there are any topics or areas relating to safety and health you would like to get more information on, feel free to reach out to anyone on the board and we will direct you to a resource. I look forward to the year ahead, stay safe!

WE ARE OFFICIALLY ASSP

Our chapter was 1 of 6 chapters receiving an award this year.

Lesli Johnson and Karen LaRue presented the awards at the ASSE PDC – WISE Networking Event. We presented one award for the team and provided certificates to each of the primary Chapter WISE team members who make everything happen for your chapter.

Thank-you for your support Lesli and Karen!

OSH NEWS

OSHA Announces Proposed Changes to it's E-Recordkeeping Rule - Industry Comments Needed!

by [OSHA Practice at Conn Maciel Carey LLP](#)

After years of advocacy for change to (or to rescind) OSHA's controversial Obama-era rule to ["Improve Tracking of Workplace Injuries and Illnesses"](#) (aka the E-Recordkeeping Rule), and a transition to the de-regulatory platform of the Trump Administration, OSHA has taken a step (hopefully just the first step) to pare down the E-Recordkeeping Rule. Specifically, OSHA announced a Notice of Proposed Rulemaking to amend the E-Recordkeeping Rule. While the proposed change will undoubtedly be welcomed by Industry, the scope of the proposed change, however, does not address most of the fundamental concerns employers have repeatedly raised about the controversial rule.
